PREFACE

- I. BOOKS AND PAMPHLETS
- II. ARTICLES
- III. BIBLIOGRAPHIES

PREFACE

This bibliography is a listing of materials designed to give an overview of the problems posed by urban congestion and the resulting need to supply ample parking spaces both on and off city streets. It is not intended to be an exhaustive listing, and no publications appearing prior to 1960 were included. Other bibliographies dealing with automobile parking have been cited in the final section of this bibliography.

I. BOOKS AND PAMPHLETS

- Automotive Safety Foundation. Planning for Parking Outside the Central Business District. Washington, D.C.: Automotive Safety Foundation, 1969.
- Carrol and Frankfurt, Consulting Engineers. Manhattan Civic Center Planning Study. New York: President of the Borough of Manhattan, 1969.
- Chapman, Samuel G. Parking Meter Practices in Sixty-Eight Michigan Communities Over 10,000 Population. East Lansing: Institute for Community Development, Michigan State University, 1961. 15 pp.
- City Club of New York, Committee on Public Safety. No Parking: Goals for New York. New York: City Club of New York, 1967.
- City Division of Planning. German Village Residential Parking Study. Columbus, Ohio: Division of City Planning, 1966.
- Council of State Governments. Employee Parking Provided by State Governments: a Survey. Lexington, Kentucky: Council of State Governments, 1967.
- Halsey, Robert D. Parking Lot Landscaping for Shopping Centers and Industrial Uses. Mountainside, New Jersey: New Jersey Federation of Planning Officials, 1970.
- Heath, William D., and others. Parking in the United States: A Survey of Local Government Action. Washington, D.C.: National League of Cities, 1967.
- Highway Research Board. Parking. Washington, D.C.: National Academy of Sciences, Highway Research Board, 1967.
- Highway Research Board. Parking Analysis. Washington, D.C.: National Academy of Sciences, Highway Research Board, 1971.
- Hoffman, George A. Urban Underground Highways and Parking Facilities. Santa Monica, California: Rand Corporation, 1963. 47 pp.
- Institute of Traffic Engineers. Parking Facilities for Industrial Plants. Washington, D.C.: Institute of Traffic Engineers, 1969.
- Jones, G. Curtis. The Church Parking Lot. Philadelphia: Fortress Press, 1967. 97 pp.
- Klose, Dietrick. Metropolitan Structures. New York: Praeger, 1965.
- Lawler, C. A. Trends in Automobile Parking at Airports. New York: American Society of Civil Engineers, 1966.
- Miller, David B. Regional Parking Study. Prepared for the St. Louis East-West Gateway Coordinating Council. Springfield, Virginia: Clearinghouse for Federal Scientific and Technical Information, 1969.
- Municipal Off-Street Parking: A Survey of Facilities and Practices in Thirty-Nine Oregon Cities. Eugene: University of Oregon, Bureau of Municipal Research and Service, 1962. 32 pp.

- National Crushed Stone Association. Design Guide for Permanent Parking Areas. Washington, D.C.: National Crushed Stone Association, 1970.
- National Parking Association. Parking for Summer. Conference Proceedings. Las Vegas, Nevada: 1966.
- 1963 Parking Industry Operating Costs Survey. Washington, D.C.: National Parking Association, 1963. 20 pp.
- North Carolina Department of Conservation and Development. Parking and Traffic Circulation Study of the Central Business District, Rockingham, North Carolina. Raleigh: North Carolina Department of Conservation and Development, Division of City Planning, 1966.
- Parking in Philadelphia's Neighborhoods: Conclusions and Recommendations of a Report on Policies and Standards for Residential Parking Facilities in Philadelphia. Philadelphia, Pennsylvania: Pennsylvania Economy League, 1966. 10 pp.
- Parking Industry Operating Costs Survey, 1961. Washington, D.C.: National Parking Association, 1961.
- Prestressed Concrete Institute. Prestressed Concrete/Multi-Level Parking Structures. Chicago: Prestressed Concrete Institute, n.d.
- Public Administration Service. Conducting a Limited Parking Study. Chicago: Public Administration Service, n.d.
- Report on the Proposed Municipal Carages for Midtown Manhattan. New York: New York City Planning Commission, 1961.
- Roth, G. J. Parking Space for Cars: Assessing the Demand. New York: Cambridge University Press, 1965. 81 pp.
- Roth, G. J. Paying for Parking. Long Island, New York: Transatlantic, 1968.
- Ruscha, Edward. Thirty-Four Parking Lots. New York: Wittenborn, Inc., 1968.
- Smith, Wilber, and others. Transportation and Parking for Tomorrow's Cities. Detroit: Automobile Manufacturers Associations, 1966.
- Tri-State Transportation Commission. Park 'n Ride Rail Service: New Brunswick - Newark - New York City: Final Report on the Mass Transportation Demonstration Project, October 27, 1963. New York: Tri-State Transportation Commission, 1967. 37 pp.
- U. S. Bureau of Public Roads. Conducting a Comparative Parking Study. Chicago: Public Administration Service, n.d.
- U. S. General Services Administration. Federal Employee Parking and Transportation Survey: Washington Metropolitan Area, Improvements in Public Transportation. Washington, D.C.: U. S. Government Printing Office, 1962.

- U. S. General Services Administration. Federal Employee Parking and Transportation Survey: Washington Metropolitan Area, The Physical Problem. Washington, D.C.: U. S. Government Printing Office, 1962. 100 pp.
- U. S. House Committee on District of Columbia. Investigation and Study of Urban Renewal Redevelopment Programs and Parking and One-Way Streets Planning in the District of Columbia. Washington, D.C.: U. S. Government Printing Office, 1965. 87 pp.
- U. S. Senate. Committee on the District of Columbia. Establishment of Parking Facilities in the District of Columbia: Hearings January 6 - February 17, 1966 on S. 2769. Washington, D.C.: U. S. Government Printing Office, 1966. 745 pp.
- University of Oregon, Bureau of Municipal Research and Service. Parking Meter Policies and Practices in 46 Oregon Cities. Eugene: University of Oregon, 1960. 11 pp.
- Urban Land Institute. Parking Requirements for Shopping Centers. Washington, D.C.: Urban Land Institute, 1965.
- Wesleyan University Planning Office. A Parking Plan for Wesleyan. Revised edition. Middletown, Connecticut: Wesleyan University Planning Office, 1969.
